Location Billing

Bill by site. Simplify collections. Centralize control.

BAS' Location Billing Services let organizations assign, collect, and manage premiums or expenses per location—without fragmentation. We handle billing for property, health, pension, operating expenses, and more.

Multi-Expense Support
Bill health premiums, taxes, pension, operating costs, etc.

Site-Level Billing
Allocate invoices per location for granular control.

Consolidated Statement
Receive combined billing across locations to streamline payables.

Flexible Line Items
Billing line items like "priest pension" or custom charges per location.

Automated Collections
Invoice generation + collection services built in.

Location-Specific Logic
Set billing rules, recipients, and thresholds per location.

Built to Simplify Billing, Oversight, and Collections—Per Location:

- Unlimited locations supported—scale without complexity
- Any billing frequency—monthly, quarterly, semi-annual, annual
- Real-time reporting & dashboards for billing, collections, receivables
- Flexible collection methods: ACH debits, lockbox, credit/debit cards
- Online account history and invoice PDF access per site
- Dedicated customer support + call center for billing inquiries
- Mass email & print/mailing services for billing communications
- Late payment processing and customized delinquency notices
- Insurance carrier EDI integration + premium reporting
- Manage who receives invoices with MyEnroll360's recipient logic
- Secure platform with SOC 1 & SOC 2, Type II Internal Controls
